At Home With Nature

To all the Mother, soon to be Mothers
and to those who have filled in
as Mother figures for people
we thank you.

The back road is tentatively scheduled for repair next Wednesday May 15th. In order to get it done in one day and to let it cure correctly the road will be closed from 9:00 AM Wednesday May 10th through 5:00 AM Thursday May 11th. All traffic must use the front gate during those hours. The roads will be accessible for emergency vehicle only.

Now this all depends on the weather. This may change if the weather does not cooperate. We will do our best to inform everyone. Check Blue Ridge cable channel 901 for updates plus the website.
